ABOUT ME

A dedicated first-year Biotechnology undergraduate at SLIIT, eager to build hands-on research experience and grow within the biotechnology field.

PROFILE

Motivated first-year Biotechnology undergraduate seeking an opportunity to develop practical skills in research and development. Dedicated to contributing through strong analytical thinking, effective communication, teamwork, and proficiency in Microsoft Office and online research.

ACADEMIC BACKGROUND

● BSc (Hons) in Biotechnology

Sri Lanka Institute of Information Technology (SLIIT) • 2026 – Present

● G.C.E. Advanced Level, Science Stream

R/Sumana Balika Vidyalaya • 2022

Biology – C | Physics – S | Chemistry – S

● G.C.E. Ordinary Level

R/Sumana Balika Vidyalaya • 2019

Geography – A, Buddhism – A, History – A, Sinhala Literature – A

Sinhala – B, Mathematics – B, Science – B, IT – B, English – C

CAREER GOAL

To grow into a skilled biotechnology professional by combining strong academic grounding with practical laboratory exposure, contributing meaningfully to research and innovation in the life sciences.
